## Overview

If you want to be a Notary Public, University of Louisiana at Lafayette has a class for you! We will offer a basic notary test preparation course in the Fall of 2020. The class is held on Tuesday evenings from 6:00-8:50pm. Fred W. Davis, Adjunct Instructor and local attorney and notary will instruct the course. The course is designed to prepare students for the state notary exam. In addition to effective and dynamic classroom instruction, testing similar to the components on the state exam will be offered in the course and assist students in preparing for the state exam.
